

accepting the offer of the company that's buying the gold. It also provides these additional protections on the insurance, because as the gentleman from New York said, frequently the client, the consumer, did not really want to sell; and yet it probably was melted down, and they said, well, we mailed it back to you, but it was lost in the mail.

So this is important legislation, provides additional consumer protections at a time when a lot of our consumers are particularly vulnerable to being taken advantage of. I want to commend the gentleman once again for his actions and urge the support of H.R. 4501.

I yield back the balance of my time.
Mr. WEINER. I yield myself such time as I may consume.

I want to thank Representative WHITFIELD for his kind words and for his help in crafting this bill and making it better than what it was first authored, Chairman RUSH, who is the subcommittee chairman, and his staff, Peter Ketcham-Colwill, Michelle Ash, and also Yuri Beckelman of my staff and Bertine Moenaff of my staff, who helped do the research, and of course Consumers Union and the Jewelers Vigilance Council, who helped to provide testimony.

I urge my colleagues to vote "yes," and I yield back the balance of my time.
